**Re: August 16, 2018 Fiber Optic and Water Supply Line Break at
International Paper Company's Valliant, Oklahoma Containerboard
("IP")**

Dear Mr. Brink:

This letter shall serve as the DeQueen and Eastern Railroad, LLC's ("DQE") tender placing Brink Engineering Solutions, LLC ("Brink Engineering") and its insurers on notice regarding the above-referenced incident.

By way of a brief background, on August 16, 2018, Brink Engineering damaged the water supply line, including the line's vent pipes, and severed a fiber optic cable while working on the DQE's railroad track. Additionally, the damage to the pipe and vents resulted in an approximately 80-foot water geyser. IP immediately commenced temporary repairs to the damaged pipes and fiber optic cable. As of August 31, 2018, IP has estimated Phase I and Phase II repair costs at \$50,000.00 to \$55,000.00. These costs do not include Phase III repair costs, which are not yet estimable.

Pursuant to the Contract for Services ("Agreement") between Brink Engineering and the DQE entered into on March 16, 2018, Brink Engineering is obligated to indemnify and hold harmless the DQE from any claims, damages, injuries, costs, and expenses. Please confirm receipt of the DQE's notice and confirmation of your acceptance of this claim by replying to this letter by October 19, 2018. In the interim, please feel free to contact me with any questions.

Sincerely,

Bradley S. Gordon, Esq.
Legal Counsel
